

# ABC Technologies Pvt. Ltd.

## Employee Handbook & Company Policy (Sample Document for RAG Projects)

This document is a fictional company policy created for educational purposes. It is suitable for building a Retrieval-Augmented Generation (RAG) chatbot because it contains multiple sections, policies, and FAQs that can be indexed and queried.

### 1. Company Overview

ABC Technologies is a software development company specializing in cloud solutions, AI applications, cybersecurity services, and enterprise software.

### 2. Working Hours

Employees are expected to work from 9:00 AM to 6:00 PM, Monday through Friday. Flexible work arrangements may be approved by managers.

### 3. Leave Policy

Employees receive 20 annual paid leave days, 10 sick leave days, and public holidays as per government regulations.

### 4. Remote Work Policy

Employees may work remotely up to three days per week subject to manager approval and business requirements.

### 5. Information Security Policy

Employees must use strong passwords, enable multi-factor authentication, and report any security incidents immediately to the IT Security Team.

### 6. Data Privacy Policy

Customer information must not be shared with unauthorized individuals. All personal data must be handled according to applicable privacy laws.

### 7. Code of Conduct

Employees must maintain professionalism, respect diversity, avoid harassment, and comply with company ethics guidelines.

### 8. IT Asset Usage

Company laptops, software, and network resources are intended for business purposes. Unauthorized software installation is prohibited.
